KAMAL JEET

Software Developer

📞 **+91 7703805081**   @ **Maanu6586@gmail.com**   🔗 **https://maanusingh005.github.io/portfolio/**
📍 **Dwarka Sec-25, New Delhi**

PROFESSIONAL SUMMARY

Skilled **Software Developer** with **2 years of experience** in **web application development**, specializing in **React.js** and modern web technologies. Proficient in **JavaScript, API integration, database management, and UI/UX design**, with a focus on building **scalable and high-performance applications**. Experienced in **developing dynamic UIs, optimizing performance, and enhancing user experiences**. Passionate about **problem-solving, automation, and innovation**. Seeking a **Software Developer role** to leverage my expertise in building high-quality web applications.

KEY ACHIEVEMENTS

💎 **Improved Page Load Speed**
Optimized React.js applications, reducing page load time by **40%**, enhancing user experience.

💎 **Enhanced Security**
Strengthened application security by **integrating JWT authentication and OAuth**, reducing vulnerabilities.

💎 **Developed Reusable UI Components**
Created modular, reusable **React.js UI components**, reducing frontend development time by **30%**.

💎 **Cross-Team Collaboration**
Worked closely with **designers, backend developers, and QA teams** to deliver projects **2 weeks ahead of schedule**.

💎 **Reduced Downtime:**
Implemented **automated monitoring** and **error tracking**, cutting system downtime by **35%**.

💎 **CI/CD Pipeline Implementation**
Built and integrated **CI/CD pipelines** using **GitHub Actions & Jenkins**, accelerating deployment speed by **60%**.

💎 **API Performance Optimization**
Enhanced **RESTful API response time** by **20%** through query optimization and caching.

EXPERIENCE

02/2023 - Present
Software Developer
Cadence InfoTech
Software development company specializing in building web and mobile applications.
- Construct responsive websites & apps

02/2022 - 11/2022
System Administrator
Nykaa.Com
Leading e-commerce platform in India, serving a wide range of products.
- Managed servers, networks, security, and IT systems
- Handled troubleshooting, updates, and user support

EDUCATION

Gajraula, Uttar Pradesh
Bachelor of Technology (Computer Science Engineering)
Shri Venkateshwara University

Dwarka Sec-9, New Delhi
Diploma in Computer Science
Integrated Institute of Technology

Dwarka Sector-26, New Delhi
Senior Secondary School
G.S.B.V School

PROJECTS

CRC-WB App
📅 11/2024 - Present
A **Clinical Research Center (CRC) app**
- **Clinical Research Center (CRC) app** providing doctors with essential resources like **PPTs, documents, and videos**.
- Built with **React Native**, featuring **API integrations, workflow automation, and a user-friendly interface** for seamless content access.

PROJECTS

CRC Web Admin Portal

📅 05/2024 - 10/2023

Admin portal for managing content requests efficiently.
- Developed an admin portal for content request management using React.js.
- Created a user-friendly interface to streamline doctors' content requests (presentations, videos, notes).
- Implemented dynamic API integrations for seamless performance and scalability.

Apeejay Education App

📅 09/2023 - 05/2024

Education app providing portals for students and teachers.
- Designed a student portal using React.js for easy access to educational resources.
- Developed Student, Teacher, and Admin portals for structured learning management.
- Integrated with FEBs, Moodle, and Datalake to enhance user engagement.

Smart Workflow App

📅 04/2023 - 08/2023

Task management system designed to improve workflow efficiency.
- Built a task management system using Adalo to streamline professional workflows.
- Automated business processes with Zapier, significantly reducing manual effort.
- Collaborated with teams to enhance productivity and user engagement.

TECHNICAL SKILLS

Programming Languages & Frameworks

| JavaScript | React.js | Next.js | React Native | Angular | Node.js | Python | HTML5 | CSS3 | TailwindCSS |

No-Code & Low-Code Development

| Adalo | Thunkable | Webflow | Bubble |

Database & Backend Technologies

| MongoDB | MySQL | Firebase | RESTful APIs | Xano |

Testing & Debugging

| Postman | Swagger |

Version Control & Collaboration

| Git | GitHub | Jira | Slack | Microsoft Teams | Monday |

SOFT SKILLS

| Problem-Solving | Communication | Collaboration | Time Management | Adaptability | Learning Mindset |

| Critical Thinking |

LANGUAGES

Hindi

English

Japnese
